We all understand the principle of bodily nourishment—how the blood, loaded with nutritive properties, circulates through the system and constantly supplies the needs of every muscle, nerve, bone and tissue. The majority of human ailments are caused by impure blood, because when the body is supplied with weak, polluted blood the system is deprived of its necessity strength and disease-resisting powers. Children do not develop perfectly, nor are they strong and robust unless the blood is pure and strong, while old people are afflicted with rheumatism, and other attendant troubles of old age, because of a weakened circulation. S. S. S. is made entirely of mealing, strengthening, cleansing roots and herbs, the purest and best blood medicine for young and old. It cures every ailment which comes from impure or diseased blood, tones up and regulates every part of the system and creates an abundant supply of nourishment with which to build up the blood. S. S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Maleria, Shin Diseases, Contagious Blood Poison, and all other blood disaders. Book on the blood and any medical advice free.
